## Alma Harmony XL Pro Laser Tattoo Reduction

A groundbreaking new option for tattoo removal, Picosecond laser technology uses ultrashort pulses to break ink particles into tiny particles where they are easily absorbed and cleaned by your body. What does this mean for you? Faster, more effective treatments, less time, and less money spent to wipe away the past and start afresh.

from \$99  
per tattoo

Do you have a radiation tattoo that needs removing? We'll do it for free.

---

## Alma Harmony XL Pro Laser Skin Resurfacing

Acne scars, fine lines, wrinkles, irregularities in texture and sun-induced patches on the skin can be removed in as little as one quick treatment.

\$499

Face, neck, chest, arms and hands can be treated with excellent results and minimum downtime thanks to the latest in non-ablative skin resurfacing treatments.

---

## Alma Harmony XL Pro Treatments for Vascular Lesions, Rosacea and Pigmentation

AFT (Advanced Fluorescence Technology) deeply penetrates the skin, inducing targeted photo thermolysis of the melanin chromophore to achieve safe and effective results.
