SKIN BEAUTY HAIR

Skin, beauty, hair – at Lekeyah we cater from basic everyday needs and relaxation treatments to advanced dermal therapies and complete hair transformations. We pride ourselves on our level of service and our ability to customise treatments to our clients needs. You are in the safest and most caring of hands with any one of our team of beauticians, dermal therapists, hairdressers and nurses.

We are committed to giving our clients the highest level of care – which is why we offer complimentary consultations for our hair, facial and skin rejuvenation services.

We are not able to include everything Lekeyah has to offer in a printed menu so please see online for the complete list of services available.

MAKEUP

ISSADA Colour Match Consultation

A personalised colour match service for ISSADA foundation & powder. ISSADA is the ideal make up for every day use for all skin types, but most importantly for sensitive and acne prone skins. Formulated from clinical grade ingredients incorporating Australian plant extracts, vitamins, antioxidants, probiotics and peptides that nourish and protect the skin as well as providing the look and coverage of make up.

FREE

ISSADA Personalised Make Up Lesson

A personalised colour match service and face to face application tutorial for a natural, everyday look using ISSADA cosmeceuticals. From skin prep, base products, light to heavy coverage foundations, powder, cheek, contouring and brow products. Does not include eye makeup. This service is designed for those already using or wanting to make the change over to ISSADA mineral make up – ideal for those on a skin health journey.

FACIAL TREATMENTS

Skin Consultation	FREE
The LEKEYAH Relaxation Facial (60 mins) A facial tailored to your skins needs combined with our most extensive facial, neck, scalp and decolletage massages for a full sensory and relaxation experience.	135.0
LED Therapy Facial (30 mins) A gentle cleanse followed by 20minutes of our medical grade Omnilux LED system to help treat a range of varying skin conditions, boost collagen and elastin production and enhance overall skin health and hydration before applying all the finishing products tailored to your skin concerns.	99.0
Dermaplaning (60 mins) Although the removal of peach fuzz is the most favoured outcome of this treatment, dermaplaning also removes the build up of dry, dead skin cells on the skins surface – revealing the softer skin underneath for the perfect canvas. Our therapists use medical grade scalpels to provide you with a clinical treatment and avoid the scratching, irritation and tearing at devices can cause.	145.0
Hydrabrasion (45 mins) A more modern technique of diamond tip microdermabrasion. Hydrabrasion combines a flow of purified water with suction and exfoliation to further polish, hydrate and deeply cleanse the skin whilst encouraging blood flow, oxygenation and assisting with lymphatic drainage for an overall brighter complexion.	150.0
Sculpt & Lift Anti Aging Facial (60 mins) An Anti Aging Powerhouse facial. Includes full face radio frequency skin tightening and DMA Treatment along the jaw line for a sculpted appearance. Finished with a medium pressure facial contouring massage and our most powerful skin firming Omorfi products.	220.0

INTRODUCING THE PRO2LIFT FACIAL

Pro2Lift Facial (75 mins) Experience the next level of skin rejuvenation with Lekeyah's Pro2Lift Facial, combining advanced technology with ESA (Electronic Skin Activation) Radio Frequency (RF) Serum Infusion and exfoliation for a personalised, results-driven treatment.	260.0
--	-------

Tailored to suit a wide range of skin types and concerns, this innovative facial helps improve the appearance of skin firmness, hydration and texture, leaving your complexion looking smoother, plumper and radiant.

Your skin. Your treatment. Your glow.

Please note, treatment times may vary in length as each facial is tailored to suit individual skin needs and desired results.

OMORFI FACIAL MENU

The Omorfi Facial menu treatments use a combination of pharmaceutical grade botanicals, active ingredients and high strength professional only products to target your skin concerns. Each facial includes a brief consultation, skincare discussion and product samples tailored to your skins requirements.

Skin Consultation	FREE	Omorfi Pigmentation Facial + LED (75 mins)	165.0
Omorfi Teen Clean + LED (60 mins) An affordable and effective treatment for our school aged clients ONLY to help treat and soothe teenage acne and educate them on how to properly care for their skin. Includes an LED light therapy treatment.	135.0	An exfoliating facial treatment to help lighten and brighten unwanted pigmentation and the build up of dry dead skin that form age spots. Includes double cleansing, exfoliation, a lightening face mask and an LED light therapy treatment.	
Omorfi Sensitive Skin Facial + LED (60 mins) A gentle and hydrating facial to help soothe and repair sensitive and damaged skin types. Includes double cleansing, a mild exfoliation, a nourishing face mask and an LED light therapy treatment followed by an express facial massage.	155.0	Omorfi Chemical Peel (45 mins) Omorfi's mono and enzyme peels are used to target a range of skin conditions including congestion, acne, pigmentation, uneven skin tone & signs of aging with little to no downtime. An affordable and effective express treatment.	105.0
Omorfi Acne Facial + LED (90 mins) A soothing and clarifying facial treatment to target impurities, congestion and acne. Includes double cleansing, pore cleaning steam treatment, exfoliating enzyme mask, extractions and an LED light therapy treatment.	175.0	Jessner Peel (45 mins) Our most powerful peel, designed to reduce the appearance of fine lines, pigmentation, improve acne and signs of scarring.	199.0

Please note, treatment times may vary in length as each facial is tailored to suit individual skin needs and desired results.

JAPANESE HEADSPA

Experience ultimate relaxation with our luxurious Japanese Headspa – a soothing ritual that combines deep scalp cleansing, tension relieving massage and nourishing hair treatments to promote healthy hair and overall wellbeing.

SKIN REJUVENATION

Please note, all our skin rejuvenation treatments require a consultation beforehand. We recommend all treatments be combined with our medical grade Omnilux LED for enhanced results for only \$40.

Skin Needling & Mesotherapy – Full Face

299.0

Using Mesopen PRO skin needling is combined with electroporation to infuse a medical grade cocktail of ingredients to target your individual skin concerns and enhance results. Skin needling & mesotherapy is clinically proven to increase collagen and elastin production, as well as lighten pigmentation and redness, reduce the appearance of enlarged pores and scarring and enhance overall skin health and hydration. Skin needling is also an effective treatment in the reduction in appearance of stretch marks and scarring.

+ Neck	29.0	+ Hands	39.0
+ Décolletage	49.0	+ HIFU Double Chin Fat Reduction	79.0

HIFU – Full Face & Chin

499.0

Often referred to as the non surgical facelift, high focused ultrasound waves remodel collagen as deep as the SMAS layer for the tightening and reduction of skin folds, deep and fine lines. HIFU can also be used for the destruction of unwanted fat in the face and body. At Lekeyah, we have invested in the more advanced centreless HIFU technology to offer a completely pain free treatment with no downtime.

+ Neck Tightening	89.0
+ Décolletage	149.0

HIFU – Forehead & Eye Lift	250.0
HIFU – Jowels, Neck & Chin Tightening	350.0
HIFU – Fat dissolving & Body Contouring	POA

Clearlift Laser Skin Rejuvenation – Full Face

299.0

Alma Lasers Harmony XL Pro Clearlift treatment is a non ablative approach to skin resurfacing with little to no downtime. Clearlift targets 5 layers of the skin individually, tailoring your treatment to focus on your exact concerns. From the deepest layers to soften fine lines & wrinkles, medium depths to break down stubborn pigmentation and upper layers to target the appearance of enlarged pores and overall skin texture. Can be combined with ablative KTP spot treatment for quicker removal of stubborn sun spots or Erbium Laser for skin tag removal.

+ Neck	79.0
+ Décolletage	149.0
+ Hands	49.0
+ HIFU Double Chin Fat Reduction	79.0

IPL Redness & Pigmentation Reduction – Full Face

250.0

Alma Lasers Harmony XL Pro uses a DYE-VL handpiece that offers both stationary and in motion treatments. Capillary repair and pigmentation removal combination treatment.

+ Neck	39.0
+ Décolletage	99.0

Erbium Laser Resurfacing – Full Face

520.0

Alma Lasers Harmony XL Pro offers an ablative solution to skin resurfacing to significantly improve the appearance of wrinkles, scars, sun damage and over all skin texture within a single session.

+ Neck	99.0
Erbium Skin Tag Removal (15 mins) Per appointment	150.0

Elevated
care,
timeless
results.

Your skin and
your wellbeing
is our world

We know better than anyone
that what you put into your
skin matters.

You need a beauty expert
who's genuinely on your
side. One you can trust,
and who treats you with the
same care, precision, and
enthusiasm as they would
their own family.

You need Lekeyah.
